are able to live safe, healthy and fulfilling lives

**Responsible citizens**  
make a positive contribution to society ...

Guiding, challenging and supporting learners through their learning journey to enable them to achieve their full potential

Active participation  
Developing enthusiasms, interests and aspirations

A spectrum of learning experiences which captures the hearts and minds of the learners

Learning through play

Explaining

Independence

"We know that we are listened to and the school improves as a result. We want to have more control." "

"I want to feel confident and believe in myself"

"I need to know what good looks like. Then I'll know what to aim for and do even better."
