

Sports Premium 2018-2019

The Sport Premium is an allocation of additional funding from the Department for Education, given to every school with primary age children to support the development of Physical Education, School Sport and Competition. This money is ring-fenced. This is the fourth year that the Government has provided this additional money and it is expected that schools will receive it next year. The allocation for 2017-2018 (July – July) is estimated to be **£17 610**, which is allocated in 2 tranches. The first tranche for the autumn term 2018 and spring term 2019. The second tranche will be for the summer term 2019.

All schools are required to report on the amount of funding received and how this is being used, as well as the impact this is having on pupils.

For 2018-2019 the money will be used as follows:

Amount	Where the money is being spent 2018 - 2019	Data Evidence from 2017 - 2018	Impact 2017 - 2018
£500	<ul style="list-style-type: none"> This includes organising competitions and festivals including opportunities for children from Year 1 – 6 Providing a programme of Professional Development for members of our staff that need support, as well as for local coaches that work within our area and our school. Providing specialist advice and support from our local secondary school Support for developing young sports leaders within our school which allows us to introduce and extend competitive opportunities in our own school. 	<p>Number of competition opportunities entered for 2017-2018 by the children at Wisborough Green Primary School.</p> <p><u>Inter school competition</u> Cross Country Indoor Athletics Netball Swimming Gala Football League (girls and boys) Quicksticks Hockey Tag Rugby Cricket District Sports Multi Skills Festival Talented Athletes – Y5 & Y6</p>	<p><u>Inter school competition</u> Inter schools competitions are schools from the locality competing against each other in various sporting activities.</p> <p>This provides opportunities for our children to work as a team in sports that they might not always get a chance to try play.</p> <p>The children have developed their sportsmanship skills and collaboration.</p> <p>The sessions have provided teachers with more opportunities to assess individual children to support continuous, differentiated development.</p>
£6 010	<p>From September 2018 to July 2019 there will training for all class teachers to learn greater skills to support the teaching of PE, through the 'Brighton and Hove Albion in the Community' CPD package. The CPD support package is being used to further develop the teaching skills and how to differentiate learning. This</p>	<p>The teaching staff are involved and parallel teach PE lessons that are being taken by coaches. The teachers then plan their own lessons with the coach and lead the sessions. This ensures that the</p>	<p>The quality of the teaching in PE lessons will improve with the use of key skills, coaching terms and sports knowledge.</p> <p>Learning will be differentiated to meet the</p>

	will focus on attacking and defending, invasion games, athletics and outdoor pursuits.	teachers gain confidence with different sports so they are able to plan and teach high quality lessons.	needs of all individuals. All children will be active and enjoy physical activity.
£1400	Allocation of funds for Sports Week and Healthy Living project - half-term focus project 2018. To ensure that there are exciting alternative activities for all years groups to access – promoting a love for exercise and wellbeing. Sports Week covers ‘Healthy Eating’ and funds will be available for all classes to look at nutrition and cooking.	Everyone is active and values the importance of exercise, healthy eating and looking after the mind and body to improve wellbeing.	All children will have a positive attitude to keeping healthy and being active. With a specific focus on mental health and wellbeing. Children will have a greater understanding of how to maintain a healthy mind and why this is important.
£600	Yoga - developing relaxation techniques through yoga and physical exercise.		Individuals will have strategies to help them relax and regulate through the use of yoga.
£3500	From April – October Half term external swimming tuition is provided for all children across the school.	All children assessed by the swimming instructor at the start of the swimming period as a baseline to measure progress made by the summer term.	All children will leave Wisborough Green school being able to swim, confidently and proficiently over a distance of at least 25 meters.
£1000	Change for life club. Identifying groups of learners to become more active at lunchtimes. Running an active club for focus children – spring and summer 2019	Identify focus group of children and create a baseline assessment for them all. Progress from January 2018 – July 2018 to be measured. Attitudes to sports and fitness and overall personal fitness levels.	
£4000	Introduction of the 1k daily walk/run to encourage all children to improve their fitness levels. Investing in a ‘Daily Mile’ track around the school field to promote running/walking and physical activity.	More children are active at break times and enjoying exercising through play.	Obesity data for the school, summer 2018 is below national statistics in EYFS and considerably lower in Y6. Children enjoy being active.
£600	CPD in gym and dance. To ensure there is a clear progression of skills in dance and gym across the school. Release for sports coordinator to support staff to develop their skills in the teaching of dance and gym.	Lesson observations are at least good across the school with staff knowing how to support and challenge all learners. More children identified as working at greater depth in dance and gym.	
Wisborough Green received its Bronze Kitemark Award in September 2014, Silver in 2015 and Gold in 2016 and 2017.
