had on Wednesday. The children in Reception class, Year 1 and Year 2 had a brilliant time learning together. The classes were all mixed up so the children could challenge themselves whilst developing positive relationships with their peers in other classes. Thank you to all the staff for planning such an exciting event that the children loved.

We are looking forward to chatting with you next week at our Coffee and Catch Up session. Our topic of conversation will be 'Communication' but it is also an opportunity to share any great ideas you have about making our school even better. Come and join us from 10 a.m. to 11 a.m. - please use the link below to let us know if you would like to join us.

SPOTLIGHT ON SAFEGUARDING

This week at school in both assembly and class time, the children have been learning about The Pants rule - an initiative set up by the NSPCC to help keep children safe. The children have learnt that what is in your pants is private, through fun activities led by Pantosaurus.

To find out more, please have a look at the link below, which gives handy tips and advice on how to talk to your children about these sensitive issues.
