The Marketing Club, Heidi Lang and everyone else who has worked so hard on our first school magazine have really excelled themselves to produce an outstanding product. I am so delighted with 'We Are Wisborough' and hope you have enjoyed reading issue 1. We are asking for a suggested donation of £1 for each magazine, with all profits going directly back into school please help us reach our target of £1000 for this brilliant initiative. The children have gained so many life skills throughout their marketing journey and we are already planning our next edition.

PGL

Fantastic behaviour, collaboration and fun, fun fun! I think the Year 6 children have all had a brilliant week away and represented our school so well. We look forward to hearing all about their adventures, on their return next week.

School Gateway update

We are encouraging parents to download the School Gateway App (as opposed to using the web page on a phone) - there are now some great additional features which enhance communication between the school and parents. Any problems, please do email The School Office.

TEAM POINTS

Y3 Bike Week

Perseverance, perseverance, perseverance! The Year 3 children have challenged themselves on their bikes and learnt some new safety skills this week as well as having lots of fun!

Cricket

The children spent a lovely afternoon learning batting, bowling and catching skills - putting them all together at the end to play a game. They were beautifully behaved and have hopefully been inspired to take up cricket!

Swimming

We are hopeful that the pool will be ready for use again next week - please send your children in with their swimming kits as usual. Many thanks for your understanding.

SPOTLIGHT ON SAFEGUARDING

Please, please, please drive and park considerately!
