

## MAY HALF TERM CLUBS!

Come and join us in the sun for our half term clubs in Horsham park and at The Holy Trinity school in Cuckfield. With the weather on the up it can only mean it's time to Go Wild!!

With our high energy team building sessions that suit all children between 5 - 12 we have got a fantastic following of local Sussex children making new friends and learning new skills in the outdoors.

Our team of instructors work daily at schools all over Sussex and know all the tricks to getting the kids motivated, working together and keeping them safe whilst introducing them to all the fun stuff we all did as kids outside!
