

If you like having fun, you'll need one of these

Compass Card and Compass 'disability register' for 0 to 25s with additional needs

If you're 0 to 25, live or go to school in Brighton and Hove or West Sussex and have additional needs that have a big effect on daily life, you can apply for a free Compass Card from local charity, Amaze. The card gives you discounts and freebies at hundreds of fun places in and around Sussex. And being on the Compass disability register means your anonymous data helps shape local services.

So what are you waiting for?
