Our commitment to healthy eating in our schools

Chartwells have been providing tasty and nutritious school lunches in partnership with West Sussex schools since 2006. In addition to great food and service our dedicated nutritionists bring food to life through our Eat Right, Stay Bright nutrition education programme. To find out more about school lunches, visit us at www.mealselector.co.uk and choose West Sussex.

We can adapt our menus to meet special dietary requirements so that school meals can be enjoyed by all children. We're proud that all our menus meet or exceed Government food and nutrition standards.

The rigour in

our sourcing

means that we

can trace all our products back to source.

Wherever possible we minimise and eliminate food additives in the school meals we serve.

Our very own team of nutritionists develop all our menus to ensure balanced and healthy choices.

All paid meals to be ordered a full week in advance of the entire week they are required, either online by midnight Sunday or via telephone by 3pm on Friday. Terms and conditions apply. Please see our website or contact us for more information. Menu items are subject to availability. TO ORDER visit www.mealselector.co.uk. To report sickness on the day of your meal booking, please call by 10.30am on 01243 773239 (messages only). For special diet information, please contact westsussexspecialdiets@compass-group.co.uk
