

**As a member of our school
you are agreeing to this
safer parking commitment**

This campaign aims to:

- ◇ Encourage our parents and other people who use our village to be aware of our one-way system.
- ◇ Make a personal commitment to parking cars thoughtfully and with care.
- ◇ Raise awareness of the dangers to children at the beginning and end of each school day.
- ◇ Be aware of the inconvenience caused not only to other drivers and their passengers and pedestrians but to residents who live in the vicinity of the school.
- ◇ Involve the whole community in the reduction of thoughtless parking and encouraging the use of our voluntary one-way system down School Road.
- ◇ Improve safety in the community and in particular for our school children.

**School Road is a one way road entering from the
pond off the A272 between**

8.30—9.15am

and

3.00—3.45pm

during school term time

Will you

Make the commitment to:

Safer Parking & the one way system in School Road

Wisborough Green Primary School

Why worry about parking and congestion around our school?

Thoughtful parking is a contributory factor to:

- ◇ The safety of our children;
- ◇ The safety of other pedestrians;
- ◇ Less damage to our grass verges and pavements;
- ◇ Fewer stressed and unhappy local residents;
- ◇ “feel good” responsible drivers.

We are committed to improving the parking and congestion around our school

- ◇ We are focusing on safety on the road
- ◇ We have assemblies for Key Stage One and Key Stage Two children taken by Highways and Transport Road Safety Officers.
- ◇ We also have our cycling proficiency week for the children in Year 6. (Bikeability)
- ◇ We encourage parents to organise a shared school run between them in order to reduce the number of cars.

What are we doing about it?

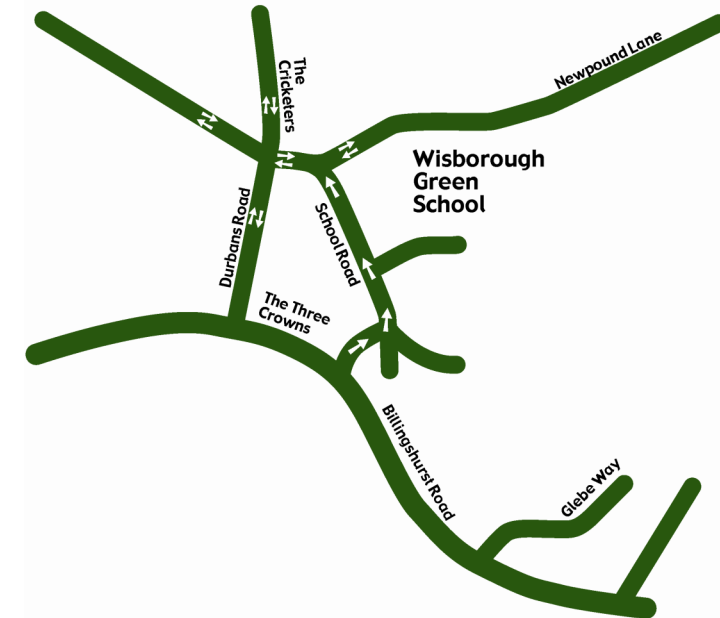

- ◇ We will continue to support the school walking bus and daily thank the few very caring parents who show such commitment to its survival, whilst encouraging more children and parents to join in.
- ◇ We will have a KS2 children drop off at the front of the school, Newpound Lane, between the times of 8:40 and 8:55 daily
- ◇ There will be a ‘please do not park here sign’ by the dropped kerb in front of Garmans

How can you help?

The success of this campaign depends on you!

Making “The Commitment” means that you will try to park with care, with respect for others road users, pedestrians, local residents and protect the grass verges and pavements.

School Road one-way system

School Road is a one way road entering from the pond off the A272 between
