

## Stay updated, everywhere

School Gateway is the Schoolcomms online parent portal. Parents can view information, respond to school requests, book on to school trips, breakfast or after-school clubs and make payments.

Parents can access School Gateway online or via the app 24/7. They can view all of their children on one account – even if they're at different schools.

Getting started is easy. Parents simply enter their mobile number and email address and the system automatically generates a login code.

For further information, visit the website to register
