

4th January 2021

Dear parents/carers,

You may have heard on the news or locally that more primary schools in Tier 4 are now closing for Covid-related reasons. I would like to assure you that, currently, we intend to stay open to all children, as advised by the DfE and WSCC. Should this change, and a partial closure be introduced, I will contact you immediately via email. The school Twitter account will also carry any updates - @WisGreenPrimary.

Please be assured that our risk assessment is regularly and rigorously reviewed and is updated as necessary. Staff are doing everything they possibly can to minimise any possible risk of transmission at school.

I would also like to let you know that, as part of our risk assessment, windows are kept open and external doors are frequently left open throughout the day. Unfortunately, this means that our classrooms are colder than normal, particularly during this cold winter spell. We recommend, therefore, that children come to school warmly dressed, with additional layers if possible. Although our school uniform policy is still in place, our priority is that children are comfortable when learning at school.

Any questions, please let us know.

Thank you for your continued support,

C. Bennett
