

Extra-Curricular Clubs

Dear Year 5 and 6 parents and carers,

I am delighted to announce that before and after-school clubs will be starting week commencing **3rd May** as I know from talking to parents, children and staff that these are enormously beneficial for a range of reasons. I am so pleased that we are able to offer all children a range of clubs under difficult circumstances and I hope you will consider at least one for your child.

Please see the table below for a list of clubs on offer at Wisborough Green for your child's year group. External providers who have full security checks, a first aid qualification and a comprehensive risk assessment will be leading the clubs and will follow the school's strict procedures regarding hand washing, social distancing and ventilation if applicable.

If you wish your child to take part in one of the clubs listed, please follow the instructions provided. As we are keen to get started, the turnaround time is quite tight and spaces will be allocated on a 'first-come, first-served' basis. If your application is unsuccessful, your child will be put on a waiting list in the event that a space becomes available later in the term. As places are limited we ask that you initially avoid applying for places in all of the clubs on offer as we would like to ensure that every child who wishes to take part can do so. If any places remain unfilled, we will then let you know.

Please note that if your child is in receipt of Free School Meals and you wish your child to take part, you should follow the booking procedure and contact Miss Greenway immediately in order for funding to be put in place.

If there is bad weather or club staff absence, a club may be cancelled. The club leader will notify you and school as soon as possible in order for you to make alternative arrangements. To avoid congestion or a breach of safety, carers and parents must remain socially distanced and wear a face covering on school grounds when dropping off or waiting to collect children at the end of club sessions.

Class teachers will arrange for your child to get changed (if applicable) for after-school clubs and will take them to the arranged meeting place. If your child is attending a before-school club please bring them already changed (if applicable) with their uniform in a named bag. Club leaders will ensure that they are taken safely to their classroom at the end of the session.

Clubs will start promptly so we politely ask that your child arrives on time. If you are late for a before-school club and the club has already started, your child will not be permitted to join. Likewise, we ask that pick up from after-school clubs is also prompt as club leaders may have other commitments.

Once your child becomes a member of a club, we expect commitment and regular attendance. Absence from the club for any reason, other than absence from school that day, needs to be explained to the club organiser in advance.

Please inform the club leader if your child is able to walk to or from home on their own. Thank you.

We are also in the process of arranging several local school sports competitions and tournaments, restrictions permitting. Details will be sent separately once they have been confirmed.

We are really looking forward to extending children's activities in a range of areas and cannot wait for clubs and competitions to start!

Kind regards,

C. Bennett
