term:
Perseverance

A Note from the Headteacher

Today you will receive your child's mid-year report via email. Please share their strengths and achievements with them and discuss their targets for reading, writing and maths. You will have an opportunity to consider these in more detail, and ask any questions that you may have, at your child's parent-teacher meeting over the next few weeks. If your child has an Individual Learning Plan (ILP), this will be sent home today in an envelope.

If you haven't already booked a face-to-face or telephone appointment with your child's class teacher, please do so via the 'My Child at School' app, under the parents' evening tab. If you are unable to make the date and times offered, please inform the school office, who will arrange a mutually agreeable appointment on another date. By working together, we can support every child to achieve their potential and 'be the best they can be'.

Dance Class

We really enjoyed joining Dame Darcey Bussell today in a live streamed dance lesson with Diverse Dance Mix (DDM). Classes from Reception to Year 4 joined in with a fun, dance-based exercise class with children from schools all around the country.

Keeping Children Safe

As children start to use chat apps, it is important that they, and their parents, know how to use them safely. The NSPCC offer advice for parents on how to talk to your child about who they are chatting to and how they know them. Please remind your child to be conscious of who they are sharing personal information with and not to share information with people they have not met. This includes information like their name, location, email, phone number, photo or school name. Follow [this link](#) below for more information.

SeaCity Museum Trip

Years 5 and 6 have spent today at The Titanic Museum in Southampton. We can't wait to hear all about their day! Next Friday they will be dressing up for a Titanic-themed day, tasting food from the maiden voyage menus and sharing artwork and dancing from that era.

READING CORNER

Enormous thanks to everyone who purchased books at our recent Scholastic Book Fair and to all the staff who helped out. We made over £450 and have been given vouchers to spend on more books for our library and classrooms as a result. Thank you!

Comic Relief

Lots of children showed their support for Comic Relief by wearing Red Noses today. If you wish to support this charity, please make a donation directly via the [charity's website](#).

Planning Help Needed

The school is in the process of re-applying to the council to change the grass under the trim trail and tyres to an all-weather surface. If there are any parents with planning expertise who are able to produce a technical plan/drawing, please contact the school office. Thank you.

Morning/After School Clubs

We are pleased to announce that Premier Education will be starting before-school clubs from the summer term. These will be available to book from next week and a link will be emailed out in due course. They will also be running football, gymnastics, summer sports and netball clubs after school for the summer term.

Next Week's Events

- Monday 20th Year 1 parent-teacher meetings
- Monday 20th Deadline for the Local History Writing Competition (WGPS)
- Tuesday 21st Year 5 parent-teacher meetings
