Focus Value for
this half term:
Creativity

A Note from the Headteacher

Although not our focus values for this half-term, Cherry Class have fully embodied our school values of perseverance and positivity this week with their incredible approach to the KS2 SATs. I could not be prouder of their determination and positive attitude throughout this potentially stressful time. Starting each day with a hearty and sociable breakfast certainly helped to relax the nerves! I would like to say a big thank you to all the staff and governors who helped to administer the tests and an enormous well done to all of Year 6 for 'striving to be the best they can be!' In today's assembly we celebrated all their hard work and effort with stickers, a round of applause and the famous Wisborough Green leavers' hoodies. Well done, Year 6!

Multiplication Tables Check (MTC)

Statutory assessment of times tables will take place for Hazel Class, Year 4, in June. Next Tuesday 16th May, Mrs Barnard, our Maths Lead, and Mr Masters, Year 4 teacher, will be holding a short information meeting for parents and carers at 3:30pm. If you would like to find out more, please collect your child as usual and sign in at the school office. Please note that children must not be left unattended but are more than welcome to join you. We hope to see you there.

PGL Residential Trip: 12th - 16th June

Miss Jeal will be holding a Year 6 residential trip meeting after school on Thursday 18th May. This is a great opportunity to find out more and ask all your questions in plenty of time. If you would like to attend, please sign in at the school office. Once again, children must not be left unattended on school grounds but are more than welcome to join the meeting. We hope to see you all there.

Thank you so much to everyone who attended or purchased books from this year's Book Fair. Your contributions helped to raise almost £200 for new books for school. We stocked up on a wide range including Black and British, by David Olusoga and If All The World Were..., by Joseph Coelho and Allison Colpoys. We can't wait to share our new books with the children! Thank you.

Governor Learning Walk

Last term, Mr Martin, one of our parent governors, was accompanied by some of our ambassadors on a visit to the school. Please see his newsletter attached for details of all the amazing events of the day. Mr Martin clearly had a great time and concluded, "It was so clear just how committed all the pupils and staff are to making everyday a positive experience and everyone, pupils and staff should be really proud of what they are doing."

Class Photographs

A reminder that class photos will be taken on Wednesday 17th May.

Reminder

A reminder that children are not to use any school playground equipment before or after school, including the bikes, scooters and trim trail. Thank you.

Lunch Reminder

Please be reminded to check your bookings and make further bookings for hot lunches via the new ParentPay.

Sporting Events

Despite recent downpours, we continue to remain hopeful for our annual Sports Day on Thursday 25th May. Please see the letter emailed on 9th May for details. However, should the ground remain water-logged by Wednesday 24th, we will make a decision and let you know.

Staffing Vacancy

Wisborough Green currently has a vacancy for a part-time Midday Meals Assistant (MMS). Please see the [vacancies page](#) of our website for details and feel free to share with anyone who may be interested.

Congratulations to the winners of this week's PTA Cake Raffle!

Next Week's Events
