

PE and Sport Premium Spend

2022-2023

The PE & Sport Premium is an allocation of additional funding from the Department for Education, given to every school with primary age children to support the development of Physical Education, School Sport and Competition. This money is ring-fenced. The allocation for 2022-2023 (July – July) was **£17,753**, which was allocated in two tranches. Wisborough Green also had a carry-over of £10,581 from 2021-2022. This led to a total premium of **£28,334**.

Schools must use the PE and sports funding to make additional and sustainable improvements to the quality of their physical education (PE), physical activity and sport. It must be used to develop or add to the PE, physical activity and sport that the school provides and build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years.

Some events identified in our 2022-2023 plan have not taken place due to cancellations resulting from industrial action. **During the academic year 2022-2023, £21,342 was spent.** This means that £6,992 will be carried over to 2023-2024.

Amount	How the money was spent in 2022-2023	Impact	Sustainability
£6,240	<p>From September 2022 to July 2023, we hired a qualified sports coach one day per week through the 'Brighton and Hove Albion in the Community' CPD package. Coaches work alongside teachers to enhance the current provision offered to pupils.</p> <p>In addition, they provided a lunchtime football club in the summer term to encourage Year 6 and other children, specifically girls, to engage effectively in active play during lunchtimes.</p> <p>They also assisted with the running of our annual Sports Day.</p>	<p>Continued confidence and increased knowledge and skills of class teachers in the delivery and teaching of PE (see Albion teacher survey). Teachers report that they have learnt new skills from the coaches and have more confidence to teach a wider range of sports.</p> <p>Teachers say they feel more able to plan and deliver effective PE lessons, have a better understanding of how their pupils learn in PE and are more confident in delivering challenging PE lessons.</p>	<p>The CPD support package has enabled teachers, including two ECTs, to deliver the teaching skills of PE and sport more effectively to all pupils, and to embed a wider range of physical activity across school, in line with our scheme of work for outdoor PE.</p> <p>Teachers will continue to develop their teaching skills, particularly regarding how to plan, scaffold and assess learning for the benefit of future pupils. This CPD will be extended to two new staff members from September 2023.</p>

£5,880	Provision of a lunchtime Play Leader.	Focussed activities led by an adult have helped to involve and encourage the least active children to be active during lunchtimes as well as providing a role model for older children when following rules.	Children transferring the games/skills learnt to self-directed playtime activities.
£2,810	Due to our own swimming pool being decommissioned because of wear and tear, external swimming tuition was provided for all Year 5 in the autumn and spring term along with children from Year 6 who had not achieved the expected standard and then Year 4 for the summer term.	Raised attainment in swimming. These lessons enabled nearly all children at the end of Key Stage Two to meet the national curriculum (NC) requirements for swimming and water safety. COVID-19 restrictions meant that most children had not engaged with swimming for up to two years, at school or at home. Specialist instructors were provided for children who were not confident in the water and needed more specific support. 96.6% of Year 6 children have met the expected standards for swimming this year.	Observation provided professional development and training for staff to support high quality swimming and water safety lessons for pupils in the future. This provision will continue next year, for those children in Years 5 and 6 who have not yet met the expected standard.
£2,566	Purchase of equipment for a range of sports including dodgeball, tennis and obstacle races. An outdoor table tennis table, a gym mat trolley and netball post protectors were also purchased.	Children have been introduced to a broader range of sports and activities. More pupils are choosing to engage in regular sport or physical activities. Targeted ball games encourage active play during lunchtimes.	An improved range of resources will enable a broader range of sports to be taught in future years. More children regularly active throughout the day.
£1,039	Participation in locality tournaments through The Weald Community School, including dance, cricket, athletics and multi-skills. Cover for class teachers to accompany children to the events.	By engaging with tournaments and events provided by external providers, we have increased participation in competitive sport and accessed quality facilities. Visiting The Weald is also helpful for transition as staff, facilities and children from other local primary schools become familiar.	Continued and increased participation in local events will provide opportunities for younger children to become increasingly active and have greater exposure to competition.
£868	Visit from a Paralympian athlete: assembly and class lessons. Diwali dance workshop for Early Years and KS1.	To introduce children to diversity within sport. To encourage participation for all. To introduce a new range of physical activities to encourage more children to take them up.	Further workshops with a diverse focus to be provided, linked to the curriculum.
£455	Annual subscription for access to a whole-school scheme of work for PE (The PE Hub).	To provide increased confidence, knowledge and skills of teachers across school, including Early Years. Teachers report increased confidence in the planning and delivery of PE as a result of this provision.	Covers all year groups. Subscription to be paid annually to build capacity and capability to benefit children joining in future years. Two new teachers starting September 2023 will receive support.
£600	Bikeability for Year 6. 100% achieved Level 2. Bike Weeks for all classes YR to Y5.	To develop a lifelong habit of daily physical activity.	Repeated as annual events.

		To ensure all children can ride safely on public roads.	
£99	Service of gymnastics wall equipment and markings for athletics.	To enable continued use of equipment for sports and physical activities.	Quality resources maintained.
£785	Purchase of high-visibility vests for Sports Captains and PE kit for adults.	To provide staff and sports leaders with the resources to embed active break times, active lessons and teaching To enable adults to act as role models.	Raised profile of PE/sport across school with everyone encouraged to participate.
	Daily Active Mile for all classes.	To develop a lifelong habit of daily physical activity.	Encourages children to be active every day without instruction.
	School worked with internal and external providers to provide a broader variety of extra-curricular activities in the 3-6pm window. School withheld rental to encourage take up. Some clubs were provided free of charge by teachers. Clubs included: <ul style="list-style-type: none"> • Dance • Futsal • Football • Netball • Multisport • Gymnastics • Bootcamp • Maypole Dancing 	Attendance of school sport clubs and activities was broadened. More pupils were regularly engaging in sport and physical activities. Each of these clubs had a high/full uptake. All children in receipt of FSM were offered a place in at least one club.	Children develop a wider range of skills and engage in a variety of new sports. Clubs will continue in 2023/24.

Year 6 Cohort 2022-23 (29 children including one new starter; one excluded for medical reasons)	Percentage achieved
Children who have met the national curriculum requirement to: <ul style="list-style-type: none"> • swim competently, confidently and proficiently over a distance of at least 25 metres • use a range of strokes effectively • perform safe self-rescue in different water-based situations. 	96.6%
