

7th September 2023

WonderDome Mobile Planetarium Workshop

Dear parents/carers,

This half term, Years 1 and 2 will be learning about Space and the Solar System. On **Friday 29th September 2023**, a mobile planetarium company called WonderDome (www.wonderdome.co.uk) will be visiting our school. A mobile planetarium will be set up in our school and WonderDome's astronomy presenters will work with the children.

This is a unique experience for the children to explore our Solar System first hand through a presenter-led shows immersed in a real planetarium setting.

There will be a small cost of **£6.35 per child** for this experience. Please make payment via your My Child At School account by **Friday 15th September**. If insufficient contributions are received, please be aware that the experience may not go ahead. If your child is in receipt of Pupil Premium (Free School Meals), your place will be funded.

We look forward to this exciting workshop!

Kind regards,

Mrs Casimiro, Mrs Henderson and Miss Peachey
