Focus Value for  
this half term:  
Honesty

### A Note from the Headteacher

We continued our focus on Honesty this week by discussing why it is important. Each class also considered if it is ever acceptable not to tell the truth. Some very interesting discussions about taking care not to hurt people's feelings but still being truthful at the same time. Willow Class were keen to point out that honesty is always the best policy even if you know that you have done something wrong, as lying can only make things worse.

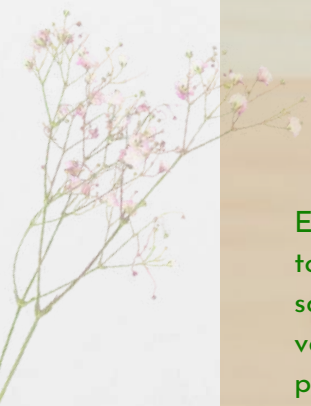

### Democracy

Today in assembly, each class announced their leaders for 2023-24 and allocated badges. There was lots of competition for each post and children did a fantastic job of presenting to their classmates and explaining why they would be suited to a particular role. We also announced the Year 6 Sports Captains who will represent their house teams and were voted for by the whole school!

Mrs Bennett has now completed the difficult task of reading the letters of application for the role of School Ambassador and was very pleased with her selection. We are sure that they will all do an amazing job of representing the school throughout the year. Congratulations to all who were selected and thank you to everyone who put themselves forward.

Each year we encourage as many volunteers as possible to join us as Reading Angels to support children across school with 1:1 reading. If you are interested in volunteering and could offer an hour a week (or longer!) please contact Mrs Taaffe in the school office for details of how to apply. Please also mention this to grandparents as they are very welcome too!

### New Reception Cohort

Our new Reception cohort had their first school lunch this week and are now attending school all day. We have been extremely impressed with how quickly they have settled into school routines, with assistance from their Year 5 Buddies who are doing an amazing job so far!

### The Weald Sports Events

We have already started selecting teams to take part in The Weald Sports Events, with some of our Year 5 and 6 children taking part in a Swimming Gala and a Talented Athletes Day next week. We will shortly be selecting children from Years 3 and 4 for the KS2 Multi-Sports Festival in October. We wish them all luck and know they will be fantastic representatives of our school.
