

# Wisborough Green Primary School

## Weekly Newsletter

Friday 10th November 2023

Focus Value for  
this half term:  
Positivity

### A Note from the Headteacher

As part of our focus on Positivity, we considered how a growth mindset could help our learning and how a fixed mindset can cause us to give up and not make progress. Children were challenged with keeping themselves in the 'learning zone' across the curriculum, even when they think they are not good at a subject. No more saying "I'm no good at...!"

### Remembrance Service

Thank you to everyone who joined us for a moving Remembrance Service today at Peter's Church. Years 5 and 6 performed songs and read out their own poems and diary entries which were beautifully written. We are also grateful to Mr Schaeffer who joined us and played The Last Post before two minutes silence.

### Anti-Bullying Week and Odd Socks Day

Next week, our school will be taking part in Anti-Bullying Week. The theme will be 'Make a Noise About Bullying'. We will also be celebrating with an 'Odd Socks Day' on **Wednesday 15th November** so please don't forget to send your children into school wearing any odd pair of socks to help highlight how wonderful it is that we are all unique. For more information on how to support your children from home, please see the advice for parents and carers from the [Anti Bullying Alliance](https://www.antibullyingalliance.org.uk/).

We have recently been recruiting new volunteers to join us as Reading Angels, particularly for our younger classes. We are very pleased to see that twelve parents/grandparents have already put themselves forward and are currently going through the safeguarding process before starting to hear children read at school. If you are interested in joining them, please contact the office [office@wisboroughgreenschool.org.uk](mailto:office@wisboroughgreenschool.org.uk) for further details. Thank you to everyone who has already put themselves forward. Your support is greatly appreciated.

## Google Classroom

All classes from Year 2 to Year 6 should now be well established on Google Classroom and accessing any home learning tasks. If you do have any problems, please contact the office for support. We would like to remind you that Google Classroom is the vehicle for pupil-teacher communication about home learning. Any queries or comments from parents or carers should be communicated via the office and will be forwarded to class teachers. This enables teachers to maintain a healthier work-life balance, avoiding messages or emails outside of the school day. We thank you for your support.

## Sporting Events

This week, our KS2 cross-country squad took part in an event at The Weald. Children were separated into Years 3/4, 5 and 6 and competed against several other local schools. Miss Jeal reported that our children showed incredible resilience, despite the mud! We are extremely proud of everyone who took part. A special well done goes out to Jack and Poppy who both won a medal for third place!

## Digital Safety

This week we had a visit from a member of the West Sussex Community Safety and Wellbeing Team. In assembly, children learnt how to keep themselves safe when playing or working on a digital device. Children were reminded never to provide personal information online including their name, phone number, address, passwords, school name, or their parents' names.

Parents and carers are advised to check their children's or their own privacy settings on social media, to ensure that only friends can see posts. Many of our children were surprised to see the age ratings for different apps. Please do check these for your child(ren).
