

January 2017

Dear Parents and Carers

**Food Technology Day at The Weald School
Tuesday 14th February 2017**

The Year 6 children have been invited to attend a Food Technology Day class at the Weald School on Tuesday 14th February 2017 at 10.50am until 12.50pm. They will be preparing dishes and eating them at the school. Please indicate any dietary requirements and allergies.

As they will miss the hot lunches at school, you will have to cancel any meals ordered for that day with Chartwells. You may wish to send them in with snacks for break time and a late lunch when they return to school.

The Food, Preparation & Nutrition teacher is Laura Hill.

The Weald School will provide a mini bus at 10.45am for 14 children and the others will need to be taken and collected by parents. Priority will be given to those who were not able to take the minibus to the science classes.

If you would like to take your child to the Weald, please be there 10.50am and arrange to collect at 12.50pm.

Please sign the slip below giving your permission for these arrangements.

Yours sincerely

Mrs Davies & Mr Harder
Deputy Head Teacher & Teacher
