

THE PALACE
SECRETARIES OFFICE

14th JULY 2016

Dear Vanda,

Her Majesty has asked me to write and thank you for your letter and to warmly congratulate you all on the very impressive amount raised at your School Summer Festival.

Her Majesty very much enjoyed judging and presenting the prizes for the Right Royal Bake Off and meeting the talented young school pupils who participated.

In the last 90 years the extent and pace of change has been truly remarkable. Our world has enjoyed great advances in science and technology.

As Her Majesty embarks on her 91st year, she is delighted that your school is spending this splendid amount raised on I.T. equipment which will benefit the pupils of Wisborough Green Primary School who will all play their part in the future of Great Britain.

Yours sincerely
A. Spooof.
