

## EXTRA-CURRICULAR ACTIVITIES 2023-2024

At Wisborough Green Primary School, we strongly encourage children to participate in extra-curricular activities. Children of all ages may participate in a variety of activities ranging from sports to art and from singing to performing arts! Clubs that take place before school start at 7:40am, after school clubs start at 3.15pm and finish at 4.15pm.

Children may choose which club they would like to attend. There are often waiting lists as all clubs are very popular. Places for these clubs will be booked and paid for directly through the club providers. A club for children in receipt of Pupil Premium will be subsidised.

We have engaged the services of Premier Education for a range of activities before and after school which focus on a different sport each day. For booking clubs through Premier please register here:
