

25th April 2024

Dear Parents and Carers,

As a part of your child's education at Wisborough Green Primary School, we promote personal wellbeing and development through a comprehensive Personal, Social, Health and Economic (PSHE) education programme. PSHE education is the curriculum subject that gives children the knowledge, understanding, attitudes and practical skills to live safe, healthy, productive lives and meet their full potential.

I am writing to let you know that, during the summer term, your child's class will be taking part in lessons which will focus on part of the relationships and sex education (RSE) aspect of this programme. Lessons in year 5 will include pupils learning about: Growing and changing, including personal identity, individuality and mental wellbeing. Pupils will also have opportunities to ask questions.

PSHE education is taught throughout the school in every year group and is monitored and reviewed regularly by the staff and governing body. Please visit the school's [website](#) for more details about our PSHE curriculum. All PSHE teaching will take place in a safe learning environment and is underpinned by our school ethos and values.

As a school community, we are committed to working in partnership with parents; parental feedback has indicated that the overwhelming majority of parents continue to be highly supportive of the relationships and sex education programme. If you would like to find out more or discuss any concerns, please talk to myself or your child's class teacher.

Mrs Casimiro
Subject lead for PSHE Education
