A Note from the Headteacher

Tuesday was an exciting day for us all - work on the new Trim Trail started and we had our first drill for a partial lockdown. Children adapted well to both events, with many fascinated by the diggers and the enormous piles of stone and soil. We also observed excellent behaviour from all classes during the lockdown drill and we are very pleased to say that Sweep the Dog did not manage to obtain entry to school! Work continues on the Trim Trail, and we hope to have our grand opening at the end of next week, weather permitting.

Sporting Events

Yesterday, eight children from Year 3 and Year 4 took part in a tennis competition at The Weald. The first session was a chance for children to practise their tennis skills by completing different relay activities as a team. For the second part, the children played in small paired tennis games. We competed against other local schools and came 5th overall.

Next week, Years 3 and 4 have another event at The Weald and will take part in a Tri-Golf event against other local schools. Good luck!

Class Photographs

Next Wednesday, 8th May, our photographer will be in school to take class and leavers photographs. Please will Year 5 attend school in their school uniform, with their Forest School clothes in a bag. They will change for Forest School once their photograph has been taken. Thank you.

West Sussex Library Service has launched its summer 2024 Reading Challenge. This is completely free to join and encourages children aged 4 to 11 to enjoy the benefits of reading for pleasure over the summer holidays, providing lots of fun as well as helping to prevent the summer reading 'dip'. This year, the reading challenge is called **Marvellous Makers** and is all about inspiring children's creativity and imagination through reading.
