End of Year Newsletter July 2024

A Note from the Headteacher

We would like to take this opportunity to celebrate the numerous achievements of your children throughout the year, both academic and beyond. End of Year Reports showed how much progress our children have made with their learning. In assemblies, children of all ages have shared their awards for music, dance, swimming, cricket, ballet and many, many more. We have also been incredibly proud of those children who have raised money for various charities, including sponsored walks and table top sales. Well done to everyone, whatever your achievement. We cannot wait to see what 2024-25 brings!

On Monday, children will bring home some of their exercise books and will clear out their lockers and cloakrooms. We would be grateful if you could provide your children with a bag to bring their belongings home.
