

EXTRA-CURRICULAR ACTIVITIES 2024-2025

At Wisborough Green Primary School, we strongly encourage children to participate in extra-curricular activities. Children of all ages may participate in a variety of activities ranging from sports to art and from singing to performing arts! Clubs take place after school start at 3.15pm and finish at 4.15pm.

Children may choose which club they would like to attend. There are often waiting lists as all clubs are very popular. Some of our clubs may be provided by school staff and will incur a small fee. We also arrange a variety of daily extra-curricular activities through external providers, who will charge a nominal amount. Places for these clubs will be booked and paid for directly through the club providers. One club for children in receipt of Pupil Premium will be subsidised.

We have engaged the services of Premier Education for a range of activities after school which focus on a different sport each day. For booking clubs through Premier please register here: <https://www.premier-education.com/parents/venue/courses/1191/?school=wisborough%20green>
