Focus Value for
this half term
Positivity

A Note from the Headteacher

This week in assembly we have been thinking about our value of positivity, which can sometimes be especially hard in a grey and rainy January! We thought about ways in which we can demonstrate positivity such as showing respect and having good manners, being supportive and encouraging, being friendly and 'always looking on the bright side'. We talked about the saying 'is the glass half full or half empty' and how we can choose to think positively about something. We also thought about how a positive attitude can impact on those around us.

'Positivity helps me to strive to do my best and do harder work' Russell

'It helps me be positive and not give up in my sports' Coco

'Positivity helps me see the bright side of everything, which makes me know I can always do better next time' Lilien

'It helps me be more positive about our tests' Arthur

'Positivity is infectious - we can spread the happiness!' Ava

Film Night

A big thank you to the PTA for organising this, and another big thank you to the teachers for running this event. The films (and popcorn/crisps) were really enjoyed by everyone. We are now looking forward to the disco the week after next!

'Film Night was really good because I liked the happy ending' Emily

'It's cool having everybody in a big room together' Fred

'I liked having popcorn!' Kit

'It was my favourite film!' Isla

'I liked the monster that was defeated' Finley

'We can sit and watch movies with our friends' Immy

'Film Night brings us together' Lilien

Thank you to all who have bought books for our school library. If you would like to contribute, please see our [Wishlist](#).

Reception class were excited to have a Mystery Reader in this morning, enjoying the 'roarsome' classic "Dinosaurs Love Underpants"!

Please email the [school office](#) if you have a child in Reception and would like to be a Mystery Reader.
