

Wisborough Green Primary School

Weekly Newsletter

Focus Value for
this half term
Respect

Friday 28th February 2025

A Note from the Headteacher

Our focus value for this half term is 'respect'. We have been talking about what respect is, why respect is important, and different ways we can show respect.

'Respect is treating people how you want to be treated' Seb

'Respect is when you do the right thing to make other people happy' Issy

'Respect is a good way of showing you are kind' Monty

'If you want people to be respectful of you, then you have to be respectful of them' Zephyrine

'But you should still be respectful even if they're not' Lily

As of next week I will be handing over a big chunk of the newsletter to the children! Each week one class will be writing a 'Class Blog' to let you know all about what they have been learning. Year 6 will start us off next week.

Year 6 Bikeability

Year 6 all did amazingly well this week with the Bikeability training. Well done to all of the pupils, especially those who did their training at the start of the week and battled the elements. The whole class completed the course successfully and the children will be bringing home certificates and badges soon.

World Book Day

Don't forget World Book Day next week (**Thursday 6th March**) - we are looking forward to seeing your World Book Day hats!

Family Reading

Thank you for coming to our Family Reading session this morning. It was great to see so many of you there - the children really love having their family members in school!

Thank you to all who have bought books for our school library. If you would like to contribute, please see our [Wishlist](#).

Deanery Celebration

On Monday there was a special event at St Mary's Church in Petworth to celebrate the 950th anniversary of the founding of the Diocese of Chichester and the Cathedral. This was attended by representatives from all the local schools.

A huge thank you to Hugo, Daisy, Brock and Kit who represented our school beautifully! They were the youngest representatives from the local schools, and they all behaved very well throughout a long service.

There were over 200 people in the congregation, and they all had to walk up to the front of the church, present the Bishop with an item and then read a short phrase. Daisy, with the help of mum, managed her phrase beautifully. And Kit then independently read his short paragraph out to the whole congregation. We are very proud of you all!

Netball at The Weald

A big well done to our team who attended the Weald Netball Event on Monday. They showed great teamwork and were a credit to the school, following all of our school values, despite the rain! A big thank you to Mrs Alexander for accompanying our team.

Usborne Book Fair

We were delighted to welcome Nicki from Usborne Books into school today. She read stories to the children, which they all thoroughly enjoyed! The Usborne Book Fair is taking place today until 4.15pm, offering a huge variety of books for all ages. Books can be purchased in the school hall by cash or card (cash is preferable). Alternatively, if you would like to place an online order, please scan the QR code or email nicki@issielovesbooks.co.uk. The deadline for online orders is 10am Wednesday 5th March.

Congratulations to the winner of this week's PTA Cake Raffle!
