Focus Value for  
this half term  
Respect

Friday 7th March 2025

### A Note from the Headteacher

Every Friday at 2.30pm we have our 'Celebration Assembly' where we give out a variety of awards to recognise and celebrate the children's achievements during that week.

As of next week (Friday 14th March) we will be introducing our 'Values Champion' award. This half term our focus value is 'Respect' so this award will be recognising one child from each class who has gone 'over and above' to demonstrate the value of respect in school throughout the week. If your child is going to be receiving this award, we will call you on Wednesday to invite you to join us for the Celebration Assembly. Please do NOT tell your child so that they will have a lovely surprise when they see you in the hall!

## WELCOME TO OUR BLOG

### Class Blog - Year 6

Last week, we enjoyed taking part in **Bikeability**. First, we practised on the playground to make sure we were confident on our bikes. Once we were confident, we went out on the road and around the village. We learnt how to do U-turns, turn into crossing, indicating and we learnt how to give way. The instructors were very kind and helpful and extremely knowledgeable. We are looking forward to cycling safely on the roads in the future.

We are also busy practising for our SATs tests in May. This week, we did some past papers and we tried our best! Miss Jeal said that we showed real perseverance and resilience. We will continue to practise so that we can strive to be the best we can be!

Some of the class will be attending the **Weald Book Awards** next week and we look forward to sharing our competition entry results.
