

18<sup>th</sup> June 2025

## Transition

Dear Parents and Carers,

It will soon be time for our children to move on to their next year group and new class teacher. This is an exciting time of the year but can also be unsettling for some children. To aid a smooth transition, children will spend a whole day in their new classroom with their next teacher on **Tuesday 24<sup>th</sup> June**. This will provide them with an opportunity to get to know each other and learn about their new class tree. Any Year 6 children moving on to The Weald will be spending the day at their new school. Please will any remaining Year 6 children report to our Reception class on arrival, where Miss Summerfield will register them.

Class teachers for 2025/26 will be as follows:

Class	Teacher
Reception	Miss Summerfield
Year 1	Mrs Schaeffer (Monday to Wednesday/) Mrs Casimiro (Wednesday to Friday)
Year 2	Miss Peachey
Year 3	Mrs Moss
Year 4	Miss Holland
Year 5	Miss Jeal
Year 6	Miss Campbell

On Transition Day, please bring your child to school at the normal time. Children should go straight to their new classrooms, with their belongings, where their new teacher will be waiting for them. Teaching assistants will remain with their current class wherever possible to support the children during the day. Children will stay in their new classroom all day and will be brought to the playground at 3.15pm by their new teacher.

Please note that Mr Harder will teach the 'new' Year 3 class in the morning and the 'new' Year 6 class in the afternoon on Transition Day. Parents of children in current Year 3 please note that Forest School will NOT take place on transition day. The current Year 5/new Year 6 class will have Forest School as normal on that afternoon.

Teachers are looking forward to meeting their new classes and we hope the children enjoy their day. If you have any questions about transition, please contact me via the School Office.

Kind regards,

Philippa Croucher  
Headteacher
