Our School Values

Striving to be the best we can be

At Wisborough Green Primary School, we are uncompromising in our aspirations for the children, staff and school community. We foster self-reliance, curiosity and independence so that our children become confident life-long learners. Our children feel happy, safe and valued. We take pride in our talented staff, who work closely with our supportive parents and village community. Our broad and exciting curriculum encourages every child to find and fulfil their potential, both academically and beyond the classroom.

This vision statement is underpinned by our seven core values:-

Respect

We treat each other with kindness and consideration, valuing and accepting our differences.

Honesty

We are truthful and trustworthy in our words and actions.

Positivity

We have a can-do attitude, believing that anything is possible.

Perseverance

We show resilience in all that we do and never give up.

Unity

We work together, learn from each other and celebrate our successes.

Creativity

We use our imagination to solve problems in new ways.

Empathy

We understand and share the feelings of others.
