Dear Parents and Carers,

Wraparound at Wisborough Green

As you may be aware, Premier Education, our current wraparound provider, has contacted parents to cancel bookings, and stated that 'after speaking with the school we will not be able to run the wraparound clubs in the future', citing that the current numbers 'do not make it financially or logistically viable for us to continue'.

I would like to make it clear that a discussion had not been had with the school, and we were not aware that these emails had been sent out.

We are currently in discussions with the provider to agree a way forward to ensure continuity whilst a new provider is sought. I will be in touch as soon as we have further information to share.

Kind regards,

Philippa Croucher
