Dear Parents and Carers,

**We are excited to share that Wisborough Green Primary School is launching official accounts on Instagram and Facebook!**

These platforms will allow us to share important updates, celebrate achievements, showcase events, and give you a closer look at daily life in school. Our goal is to strengthen communication and build an even more connected school community.

We understand the importance of online safety and privacy. Our social media accounts will be managed by key staff, and we will follow strict guidelines to ensure that no child's image is used without prior consent. Images will be unnamed.

If you have previously opted out of photo or external media permissions, your child's image will not be shared.

For those families who have already given photo and external media permissions - **if you do not wish your child's photo to be used on Instagram or Facebook specifically, please email: [office@wisboroughgreenschool.org.uk](mailto:office@wisboroughgreenschool.org.uk)**

We would love you to follow us once the pages go live!

Instagram: wisboroughgreenps

Facebook: Wisborough Green Primary School

Parents who message us via these platforms will not be responded to - please continue to direct all communication through our School Office. People engaging with our social media accounts are asked to be respectful and kind as always.

Please note that we will be closing our Twitter/X account shortly.

Thank you for your continued support.

Kind regards,

Philippa Croucher  
Headteacher
