YEAR 1 GRANDPARENTS' AFTERNOON

Dear Parents/Carers,

As part of our History curriculum this term, Year 1 children are learning about events and experiences in living memory. To make this memorable and first hand for the children we would like to invite their grandparents to a special afternoon on **Monday 13th October 2025**. We appreciate that not all children will have grandparents who are able to attend. If this is the case, another special adult may be invited. **We invite our special guests to arrive at school at 1:00pm, spend the afternoon with Oak Class and depart at 2:45pm.**

During the afternoon grandparents / special guests will accompany their child through a carousel of activities:

- 'Tea and biscuits' in the hall to encourage discussions about food and school dinners; now and then.
- Classroom based activities to compare school experiences, childhood hobbies and interests
- Outdoor play (weather dependent!) to compare toys, games and playtime activities.

If grandparents / special guests have any toys, school books, childhood artefacts or photos from their past it would be great to bring these with them to 'show and tell' with the children. Please also ask them to have a think about any playground games or songs they used to play (What's the time Mr Wolf', hoopla, clapping songs etc).

Please let the Office (office@wisboroughgreenschool.org.uk) know who will be attending in order for us to organise refreshments and groupings. If you have any further questions, please feel free to speak to a member of the Year 1 team.

Thank you for your support.

Kind regards

Mrs Schaeffer and Mrs Casimiro
