

# Wisborough Green Primary School

## Weekly Newsletter

Friday 10th October 2025

Focus for this half term

**READY, RESPECTFUL, SAFE**

### A Note from the Headteacher

Congratulations to our Values Champions this week: Daisy, Darcey, Maia, Jacob, Zoe and Jack!

### Harvest Festival

Thank you so much for attending our Harvest Celebration on Friday. The children's singing was lovely! Thank you also for your generous donations - these are being collected by Horsham Foodbank next week.

This week we had the first of our school tours for families who have children who will be starting school in September 2026. Our new School Ambassadors did a great job of showing them around and telling them all about our lovely school. Thank you Ambassadors!

Years 5 and 6 really enjoyed their World War Two workshops with Horsham Museum yesterday. They learnt so much:

*"Having the primary sources meant we felt like we were really there" - Olivia*

*We got to touch real World War II items" - Coco.*

*There were lots of old artefacts, it was really interesting, some of the them very delicate" - Charlie, Cooper and Asher*

*"I liked that we had things to look at, like the helmets and clothes" - Alfie*

*"I really liked that we were allowed to touch the artefacts and try on the clothes" - Poppy*

### Year 1 Grandparents Afternoon

We would like to remind the Year 1 class about the Grandparents Afternoon on Monday next week, 13<sup>th</sup> October. We appreciate that not all children will have grandparents who are able to attend. If this is the case, another special adult may be invited. We invite our special guests to arrive at school at 1:00pm, spend the afternoon with Oak Class and depart at 2:45pm.

If grandparents / special guests have any toys, school books, childhood artefacts or photos from their past it would be great to bring these with them to 'show and tell' with the children. Please also ask them to have a think about any playground games or songs they used to play ('What's the time Mr Wolf', hoopla, clapping songs etc). Please let the Office ([office@wisboroughgreenschool.org.uk](mailto:office@wisboroughgreenschool.org.uk)) know who will be attending in order for us to organise refreshments and groupings.

### Secondhand Uniform Sale

The PTA will be holding a secondhand uniform sale on Friday next week, 17<sup>th</sup> October, after school on the playground. Please do come along to get a bargain or two, and help raise funds for the school! Thank you.

## Year 3

# WELCOME

TO OUR NEW

We have had a great start to Year 3 and have been very busy learning about our new Stone Age topic. The children have settled so well into their new class.

*'I've been excited about going into Year 3 and I'm excited about our school trip.'* - Pippa.

Lyra added, *'I feel proud of going up a key stage and being in Year 3. It feels so big to move up.'*

Ellie agreed with Lyra that it feels like a big thing going into Key Stage 2. *'You have more work to do, we're working hard but we're having fun at the same time!'* she added.

We recently finished our first writing journey where the children enjoyed writing instructions on how to wash unusual animals, based on the book 'How to Wash a Woolly Mammoth'. If you need to wash a crocodile, dinosaur or prickly hedgehog, we'd be happy to give you advice!

As budding artists, we have really enjoyed learning about sculptures in Art. We've looked at different sculptures and discussed what we like about them and how they make us feel. We've spent time outside creating sculptures from found items.

Fred - *'I enjoyed making sculptures outside because we used different types of natural materials, like dead leaves and acorns.'*

Rory - *'I enjoyed making the sculptures outside because our teacher didn't tell us what to use, we were allowed to find what we liked from outside.'*

Everyone enjoyed our outdoor art lesson.

*'I got to use lots of different materials from nature with my outside sculpture and that taught me new things that I like doing.'* added Brock.

While Tabbie shared *'I enjoyed making my own sculpture because I felt creative working outside.'*

We've now moved on to using clay and have begun to use tools to add texture and shape.

## Key Dates

### October

- Monday 13<sup>th</sup> - Y1 Grandparents Afternoon @ 1pm
- Wednesday 15<sup>th</sup> - New Parents Tour @ 1.30pm
- Friday 17<sup>th</sup> - Y5/Y6 WWII Dress Up/Immersion Day
