

20th October 2025

Dear Parents and Carers,

Year 1 and 2 Workshops

As part of this school year's topics, we have arranged a number of exciting workshops for the Year 1 and Year 2 class:

- **WonderDome Planetarium Workshop – Friday 21st November 2025**
- **Polar Expedition Workshop – Friday 6th March 2026**
- **Pinocchio Open Air Theatre – Friday 3rd July 2026**

To enhance the 'Space Travel' topic, [WonderDome](#) is bringing in its amazing pop-up planetarium. This is a unique experience for the children to explore our Solar System first hand through a presenter-led show immersed in a real planetarium setting.

For the spring 'Pole to Pole' topic, we have an immersive workshop where the children will become intrepid explorers through the North and South poles.

The summer term of 'Traditional Tales' sees a theatre company bringing open air theatre to life at the school, with a production of Pinocchio. Parents will be able to purchase tickets for this event nearer the time, so you can come and enjoy the experience with your child/ren.

We are asking parents to contribute towards the activities at the start of the school year. The total cost is £21.51 per child. Due to a large contribution from the PTA fund, we have reduced the cost to parents and would like to thank the PTA for its support. If your child is in receipt of Pupil Premium (Free School Meals), your places will be funded, but contributions would be appreciated.

Please make payment via your My Child At School (MCAS) account by **Friday 14th November**.

We look forward to an exciting year!

Kind regards,

Mrs Casimiro, Mrs Schaeffer and Miss Peachey, Year 1 and Year 2 Class Teachers
