

Dear Parents and Carers,

**Wraparound Care at Wisborough Green Primary School**

Following the unfortunate withdrawal of our previous provider Premier Education we are pleased to inform you that we have secured a new wraparound provider who will be offering high quality, reliable wraparound care for our families.

Wow Club already run very successful wraparound provision in other schools in Sussex, including at our neighbouring school Loxwood Primary.

*‘WOW Club is a fun, friendly and interactive setting. Our focus is to provide an environment where children can learn through play. We aim to extend social and learning opportunities beyond the children's school day and to surround them with a team of caring staff who will get to know your child and plan activities to nurture their interests.’*

Wow Club are in the process of finalising their Ofsted registration for Wisborough Green for an expected start of January 2026. We will be in touch when we have further details to share. Wow Club will be providing breakfast and after school care initially, with holiday club options to follow.

In the meantime, we have increased our extra-curricular club provision to help support working families through this period. Please see below for further information and the links to book. If you have any questions, please contact the School Office.

Kind regards,

Miss Croucher  
Headteacher
