PTA Trustees

We wanted to let everyone know that Steph (Chair), Insi (Treasurer) and Elaney (Secretary) will all be stepping down as Trustees at the end of the school year.

We have really loved being part of the PTA and have found the roles both fulfilling and great fun. It has been brilliant to see how much we can contribute to the school and, most importantly, to the children. Although we are stepping down as Trustees, we will absolutely remain firm supporters and are very happy to continue helping as volunteers.

To ensure the PTA can continue next school year, we do need new Trustees to step forward. We are sharing this now to give plenty of notice and time for anyone who may be interested to get involved, work alongside us, and have a really smooth handover.

If you have ever thought about helping shape what the PTA does, this is a great opportunity, and we would love to hear from you.

Thank you all so much for your continued support.
