

26<sup>th</sup> November 2025

Dear Parents and Carers,

### Reception Numicon Workshop

We would like to invite all our Reception parents and carers to a workshop on **Friday 9<sup>th</sup> January 2026 at 9:20am**. Please note that this workshop is directly after Family Reading. During the workshop I will talk you through the Numicon maths programme and explain how you can support your child at home.

There will be an opportunity to ask any questions at the end, as well as see the resource in use within the classroom. The presentation will be available on the website following the meeting.

We expect the meeting to last approximately an hour. We politely ask that you do not bring younger siblings if at all possible.

Please sign in at the front entrance for Family Reading, then gather in the hall once Family Reading has finished.

We look forward to seeing you,

Kind regards,

Miss Summerfield  
EYFS Teacher
