

Dear Parents and Carers,

As we approach the final term of Year 6, we are continuing to prepare the children for their upcoming SATs assessments. The pupils have already been working incredibly hard, and we are very proud of their effort, focus, and determination.

To provide further additional support, we will be running a Year 6 SATs Booster Club. These sessions are designed to build confidence, revisit key skills, and offer targeted help where pupils may benefit from a little extra practice.

Booster Club Details:

- Day: Tuesdays
- Time: 3:15–4:15pm
- Start Date: Tuesday 10th March 2026
- Location: Year 6 classroom
- Led by: Miss Greenway and Miss Croucher

The sessions will be relaxed, supportive, and enjoyable, with a focus on making preparation feel manageable and positive. We strongly encourage all Year 6 pupils to attend, as regular participation will help them feel more confident and well-prepared for SATs week.

Please confirm your child's attendance by completing the consent on MCAS by Friday 6th March.

Thank you, as always, for your continued support. If you have any questions or would like further information, please do not hesitate to get in touch.

Yours sincerely,

Miss Croucher
Headteacher
