WISBOROUGH GREEN PRIMARY SCHOOL

A RECORD BREAKING FUNDRAISING AUTUMN TERM COMES TO AN END!

Well the Autumn term is all but over - it seems unbelievable! A third of the way through another school year! Always a busy one for everybody, with children settling into new classes, and Christmas as its finale! And your PTA has been very busy too.

We kicked off the fundraising year with the Halloween Discos, and straight after half term saw us straight into our annual Fireworks fundraiser! This year was an exceptionally successful year with perfect weather and a top

team on the case to make as much money as possible. The Christmas Pop Up Shop followed - always a seasonal favourite, and finally our Christmas Crafts. Each and every one of these events made more money than ever before and of that we are immensely proud! Thanks to all of those who have helped. It is a wonderfully rewarding thing to become involved in. So if it's something you think you might like to try, come along to our next meeting not the 16th!

WHERE THE FUNDS HAVE GONE

Of course the **best bit about working to raise funds for the PTA, is seeing the money well spent on items to improve the school lives and learning experiences for everyone!** This term you will have seen considerable improvements to our outside learning area, with a massive thank you to Mr Chris Bryant for all his hard work. This has included some lovely trees, puddle suits for the younger children, and a new changing hut as well. We have also funded some Early Years equipment, sound buttons, and some new guided and home reading books. We hope to continue to add resources and learning experiences as the year progresses.
